

Pre-Scene Consent Agreement

This Pre-Scene Consent Agreement is designed to facilitate communication between partners and ensure that boundaries, expectations, and comfort levels are discussed before engaging in wax play. Please read each section carefully and discuss it with your partner.

Consent Area	Details
Consent to Engage	We both agree to engage in wax play and are comfortable with the potential sensations and activities involved.
Boundaries	The following areas are off-limits for wax application: [Insert boundaries here] (e.g., face, genitals, broken skin).
Pain Tolerance	We have discussed and agreed on the level of heat and intensity of the wax play. (e.g., Light, Moderate, Intense).
Aftercare Needs	Aftercare preferences include: [Insert aftercare needs here] (e.g., soothing massages, hydration, emotional care).
Safe Word	We will use the following safe words to ensure communication during the scene: Green: All is good and we can continue. Yellow: The intensity needs to decrease or take a pause. Red: Stop immediately.
Additional Notes	[Any other preferences or concerns that should be discussed before starting the session.]
